

FUNERAL SERVICES

Our Condolences

First of all, if you have just lost a loved one, then may we offer you our condolences, and may the peace of God be in your heart.

We hope that you will find this little leaflet helpful.

A few things to think about

It is a privilege to hold a service here at Goring to celebrate the end of a person's life on earth.

You may wish for the service here to be part of the funeral itself, or to have a worship time of thanksgiving either before or after the committal.

The thanksgiving and celebration of the person's life can of course be held on the same day as the funeral or shortly afterwards.

Sometimes the person who has died leaves a request to have certain hymns and readings. The minister will be more than happy to accommodate your requests. We have an organist who will also try to accommodate your needs in music.

We have audio and video systems should you wish to play recorded music and/or to show presentations on the projector screen. Please let know in advance.

WHO TO SPEAK TO NOW

Minister: Reverend Andrew Sellwood

Pastoral Secretary: Mrs Hilary Redman

It is of the utmost importance that you speak to us first, before arranging a date with the undertakers, as the minister may not be free.

Also when selecting hymns, we must know in advance to check on any copyright issues.

If anything is not covered we will not be able to have them. Hymns now have to be reported onto the CCLI database.

WHY ARE WE HERE ?

We are here to worship God and proclaim the love of Jesus Christ to all
