DAILY PRAYERS

Sunday:

Lord we pray, for this day and every day that we rejoice in creation, fellowship, family and friends. Help us to hear your Word, find new appreciation of your creation and seek a new sharing of your love.

Monday:

Living God, we pray;

- for the physical world – places, people, nature and fruitfulness – bring wisdom and hope.
- for our world – community and neighbours – bring compassion and courage.
- for ourselves – those we love and those we struggle to love – bring patience and care.

Tuesday:

Loving God of our ups and downs we come to you with concerns in our hearts and questions in our minds, with troubles in our lives and fears for the world. We come trusting that you never give up on us, never abandon us, never dismiss us. For you are a God of love, of peace and power.

Wednesday:

We pray for the broken and battered, for the refugees and lost, and those who sail in troubled waters. Help us to help them find your presence.

Thursday:

Pray for our leaders who are challenged on so many fronts. Assist them in thinking through these issues from a position of love, as demonstrated by your Son, Jesus.

Friday:

Give thanks for the growing Church in China. Thank you for their courage and faith, knowing that their decision to follow Your Son was likely to bring down persecution on them from the authorities.

Saturday:

Give thanks for all those working through various agencies in an effort to minimise the outcome of the covid pandemic. Strengthen them in their resolve and keep them safe.
