Skittles Evening

Rosina Bayley

The skittles evening at Slindon last Saturday proved to be a great success and with plenty of food and lots of enthusiasm, particularly from Nathan and his friend, we all enjoyed a fun packed evening. Big thank you to Val Gill for running and organising the evening and to her husband Graeme for driving four of us there and back in their car.

Thanksgiving Service

Wilfred Rhodes

We have copies of the Order of Service for Geoffrey Dearsley's Thanksgiving Service. Please ask if you would like one.

Pray

Daily

Sunday:

Psalm 55 reminds us that when we pray..... He shall hear your voice. We give thanks that You hear us and guide us as we honour and praise You for all that this life and world has to offer.

Monday:

We give thanks for Your presence in our lives. Thankful for our Church here in Goring and especially thankful for all those who participate in obvious and often less obvious ways, to progress the life within our Church.

Tuesday:

Help us to see the wonder of Your Creation with fresh eyes every day. To stop and pay close attention, giving thanks for all Your goodness.

Wednesday:

We remember the many damaged and tortured people living on the margins of society Help us to understand their plight and be with them as they try to live a life worthy of who they are. God's children.

Notices

Thursday:

Give thanks for all the agencies who are striving throughout the world to bring much needed aid to those in greatest need and for all those who lend their support to this herculean task.

Friday:

Lord Jesus, we lift up before You all people suffering throughout the world as victims of violence and injustice and that You will draw close to those who have suffered at the hands of regimes opposed to Your Gospel.

Saturday:

Pray for all who are struggling with ill-health. Strengthen them and their carers.

Vocal Orchestra

Hilary and Mary Redman

To launch the publication of a new book "*Women Interned in World War Two Sumatra - Faith Hope and Survival*" written by Margaret Dryburgh and Shelagh Brown.

Margaret Dryburgh and Norah Chambers occupied themselves and the women with them in their camp by writing down the notation for classical music which they remembered, and between them created a Vocal Orchestra. Voices only; no instruments, no words.

You are invited to come and listen to the performance of the Chichester Women's Vocal Orchestra singing from the women's original score, in celebration of the book, and afterwards enjoy afternoon tea. It will be held at *St Paul's Church, Chichester* on *Sunday 10th July* at 14.30

There will be a retiring collection for donations for the 'Sanctuary in Chichester'.

For more information please see the leaflets on the tables at the back of the church.
