## MESSY CHURCH

Val Cooper/Bett Swierk

For Messy Church in **February** we are in need of cardboard tubes, either the inner tubes from kitchen paper or from rolls of wrapping paper. For the **March** Messy Church we are needing cardboard boxes, generally squarish or rectangular in shape with a flat top.

Thank you

## DEC AFGHANISTAN CRISIS APPEAL

Matthew Smith

DEC launched an appeal before Christmas to help those in desperate need, in Afghanistan, who are facing catastrophic hunger. As a Church we always seek to support DEC appeals, which are made only in the most exceptional circumstances.

Unfortunately, Covid constrained our opportunities to respond to this particular appeal over the Christmas period. However, the need is ongoing and likely to get worse over the coming weeks.

An opportunity will therefore be provided for you to contribute through the collection plate on each **Sunday** from **23<sup>rd</sup> January** to **13<sup>th</sup> February** inclusive. Please place your donations in an envelope marked "DEC Afghanistan Appeal". If you are not attending Church at this time, please consider sending your donations to me by post.

Thank you

## DAILY PRAYERS

### Sunday:

Give thanks for all who have led Public Worship today in our land. May the words they have spoken in your name and the prayers offered, be an influence for good as we try to follow you more closely in the coming week.

### Monday:

Pray for those who jostle for power that they do not deserve and for those who wield their power with integrity and justice.

### Tuesday:

Spirit of Life, who grants us the courage we need to act, we praise your name. Spirit of Love, who knows our nature and loves us, we praise your name.

### Wednesday:

Pray for those who speak out with a voice of concern for the environment, the forests, the seas, the air we breathe – and for those who seek to silence them.

### Thursday:

Pray for all the people we take for granted, yet who are so important to daily life. Pray for the transport workers, food processors, shopkeepers, refuse collectors, postmen and women, and all those whose work keeps us going in vital but almost hidden ways.

### Friday:

Pray for the outsiders in our society – those sleeping rough and lacking sufficient food. Pray that any generosity shown to them might prove a catalyst, bringing change and improvement to their lives.

### Saturday:

Rejoice today in those who prepare the way for others to flourish and pray that we may seek to do likewise.

## CHURCH FAMILY PRAYERS

During the year we also remember all in our Church Family.

### This week:

Rosina Bayley, Valerie Berry,  
Jane Bond and Gordon Brunton
